SCORING	<p>The resulting eligible list will consist of three ranks. In order to obtain list eligibility, a minimum rating of 70% must be attained.</p>
CAREER CREDITS	<p>Career credits will be added to the final score of all competitors who qualify for the credits and successfully complete all parts of the examination.</p>

VETERANS PREFERENCE	Veterans preference credits will not be granted in this examination since it does not qualify as an entrance examination under the law.
---------------------	---

GENERAL INFORMATION

Applications are available at the State Personnel Board office, local offices of the Employment Development Department, the Department noted on this announcement and through the internet at <http://www.spb.ca.gov>.

If you meet the requirements stated on this announcement, you may take this examination, which is competitive. Possession of the entrance requirement does not assure a place on the eligible list. Your performance in the examination will be compared with the performance of the others who take this test, and all successful candidates will be ranked according to their scores.

The Department of Health Service reserves the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service law and rules and all competitors will be notified.

Eligible Lists: Eligible lists established by competitive examination, regardless of date, must be used in the following order: 1) subdivisional promotional, 2) departmental promotional, 3) multidepartmental promotional, 4) servicewide promotional, 5) departmental open, and 6) open. When there are two lists of the same kind, the older must be used first. Eligible lists will expire in from one to four years unless otherwise stated on this announcement.

General Qualifications: Candidates must possess essential personal qualifications including integrity, initiative, dependability, good judgment, ability to work cooperatively with others, and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required. In open examinations, investigation may be made of employment records and personal history, and fingerprinting may be required.
